We're heading to Egypt during Moses's time for a Bible-time experience, learning how God worked to save His people. Kids (and helpers) get a taste and feel for the ancient world at the time of the Exodus. Through music, workshops, games, costumes, and Bible stories, kids will learn what it means that God put eternity in the hearts of people; how the longing to live forever gives us hope; and how the Israelites slavery in Egypt set them up to witness God's amazing redemption firsthand. This will be an incredible experience to walk through together. Join now!

TO GET INVOLVED - REGISTER!

- 1) Register through the website (www.sheltonfbckids.org - click on the "Summer launch" Icon, then on the "Volunteer" Button)
- 2) Complete the background check in your email (If you don't receive one, that means that you have one that is still valid)

Designate your area(s) of interest online, or by sending me an email; that way I can keep a running list and notify you as to where/when meetings & opportunities are taking place
